## PM STUDIOS ROLLING OUT EXCITING NEW META-GAMING ECOSYSTEM, “PLAYGROUNDZ”!

LOS ANGELES, CA., November 8, 2018 — PM Studios and acttil are excited to announce that PM Studios is currently developing an exciting new gaming ecosystem called Playgroundz. Utilizing a cutting-edge blockchain system, users can earn tokens by playing videogames and providing play info, among other simple tasks, which can be distributed back to their favorite game developers, in an exciting new back-and-forth process between players and creators.

And now PM Studios is looking for gamers to help out with their alpha test, and all you have to do is rate your favorite games. Check out [www.playgroundz.io](http://www.playgroundz.io) and <https://twitter.com/PlaygroundzIOG> for more info!

PM Studios and acttil are working together to launch Playgroundz in Japan as well. We’re really excited to announce more info about that soon!

### Product Information

**Title:** Playgroundz
